

A Challenge to the Hurricane Twins Katrina and Rita

An International Two-Week Workshop Held in Louisiana - January 6-20, 2007

SWEAT! DESIGN! BUILD!

Twenty students from MIT and abroad participated in 1-week of hands-on repair and rebuilding of hurricane damaged housing on the bayous of Louisiana, followed by 1-week of design and construction of housing elements for the on-going 'Lift House' project.

A SIGUS Activity - sigus@mit.edu
